This is your war

That you and future generations may enjoy Freedom and Justice we are fighting this war. While men give their lives on the battlefield, those of us on the farm must see to it that they have the necessary food to fight the war; to defend and preserve the America we enjoy.

During 1944 the 4-H program will stress those activities which will aid most in the war effort. Every farm boy and girl in North Carolina should join in the Feed A Fighter for Freedom program in Forty-Four.

Here's how you can help!

1. Join a 4-H Club.
2. Take an active part in 4-H Club meetings.
3. Consult Neighborhood Leader for help.
4. Participate in special 4-H activities, such as, Church Sunday, 4-H Achievement Day, 4-H Camp, Health Program.
5. Maintain morale on the home front. Preserve for our soldiers when they return something of the kind of an America they left to defend.

Produce and conserve food

1. Select a project you can and will carry through to completion.
2. Select your project early and begin work on it.
3. Increase the size of projects.
4. Conserve all the food possible.
5. Keep accurate records to determine best methods.
6. Secure new members.

Contribute to the war effort

1. Do your part in salvage collections.
2. Put all your cash profits in War Bonds and Stamps -- more, if possible.
3. Cooperate with Red Cross, Civilian Defense and other war agencies.
4. Write letters to friends in the Armed Service.
5. Participate in all worthy community activities.
