

Cartload of wood seen on road from Dalat to Ho Chi Minh City

Cartload of wood seen on road from Dalat to Ho Chi Minh City

An ox cart full of dead wood is attended by a man behind it on a bicycle. The photograph is taken through the front window of a tour bus traveling from Dalat south to Ho Chi Minh City. The dead and dry wood probably was collected from the surrounding forests by a rural resident who is carting it away so that it can be used or sold as firewood.
