### **Festival in Guanajuato, Mexico**

A child with a blindfold strikes a piñata during a festival. A crowd stands on stairs watching the action. Guanajuato is a large city in the central highlands of Mexico. It was an important colonial city because of the area's large silver deposits. Silver continues to be a major export, while tourism and industry round out the balance of the economy. Because it was an important colonial site, the city boasts of lavish colonial architecture and a historic city center that is recognized by UNESCO for its cultural heritage.
