

## John Murray, Fourth Earl of Dunmore

### John Murray, Fourth Earl of Dunmore

Oil portrait of John Murray, Fourth Earl of Dunmore, last royal Governor of Virginia. The portrait, oil on canvas, was painted by Charles X. Harris as a copy of Sir Joshua Reynolds' 1765 portrait of Dunsmore.

The original painted by Reynolds is in the collections of the National Galleries of Scotland. The copy by Harris is in the collections of the Virginia Historical Society.

**Citation (Chicago Style):**

Harris, Charles X. *John Murray, Fourth Earl of Dunmore*, 1929, oil on canvas [after Sir Joshua Reynolds, 1765]

## Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
