

His Liberty Bond, paid for in full

His Liberty Bond, paid for in full

This poster played more vividly on the guilt of people on the home front and showing a dead soldier on the field. "This boy has made his last great sacrifice," the caption reads. "Are we, as Americans, doing our part?"

HIS LIBERTY BOND

PAID FOR IN FULL

This boy has made his last great sacrifice. Are we, as Americans, doing our part? In buying Liberty Bonds we can provide the money necessary to sustain and protect our other boys who must take his place in the trenches. Let us do our duty and do it quickly.

Published through the patriotic coöperation of THE NEW YORK HERALD

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a

speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
