

## **North Carolina History Elementary Education Collection** <sup>[1]</sup>

### **North Carolina History Elementary Education Collection**

This NCpedia collection includes entries and other resources written specifically for elementary grades education. The entries are written at a 4th to 6th grade reading level, with many at an average of 5th grade. Some entries are short and others a bit longer. Longer entries have been written and segmented into parts that may be excerpted and read alone. Please continue to visit this collection as we add new articles. And please let us know if there are specific topics you would like to see for use in classroom activities.
